Kate Turner, the 113th Student Body Treasurer at the University of South Carolina, is a sophomore in the South Carolina Honors College originally from Leesburg, VA outside of Washington, DC. She is studying international business and marketing at the Darla Moore School of Business, with a minor in Spanish and a concentration in data analytics.

During her time at Carolina, Kate has been involved with a variety of organizations; she joined the Greek and Panhellenic communities her freshman year as a member of Alpha Delta Pi, and most recently in Student Government, she has served on the staff of the 2020-2021 Speaker of the Student Senate, JD Jacobus. Additionally, Kate currently works as an investment intern at the SC Retirement System Investment Commission as a member of the Honors College's SC Semester Program, and has previously held an operations position within UofSC Campus Recreation.

Although she is pursuing a bachelor's degree in business, Kate also holds interests in public policy & leadership as well as foreign language & culture. She hopes to live and work beyond the United States as part of her career, as she has studied both French and Spanish, but hopes that list continues to grow. Kate's main priorities as the 2021-2022 Student Body Treasurer include improving communication strategies and outreach to organizations to ensure that the student activity fund does not go underutilized, and that students can enjoy the best possible opportunities and experiences during their time at Carolina.
